2. There is a **10%** buyer's fee that will be added to all invoices at the close of the sale.
3. All coins are guaranteed genuine and as described. Grading is a subjective art. Every effort has been made to be conservative in our grading. Please note that an auction sale is not an approval sale. Lots examined prior to the sale may not be returned for any reason except authenticity.
4. Terms are for cash, with invoices being due and payable immediately upon receipt. Payment by check must be made in US funds and drawn on a United States bank. Visa and Mastercard may be used to pay your bill. However, a 3.5% surcharge is made for the use of your credit card. (Our cost from the bank.).

6. Bid in even dollar amounts. **Mail Bidder Protection.** You may submit bids with confidence. Where competition permits, your bids will be executed at 10% over the next highest bid. In the case of tie bids - the bid received earliest wins. Bid by lot number. No lots will be broken.
7. A word on **Reserves.** If a lot is reserved, it will not be in excess of the estimate. However, please note that bids that are below 60% of the estimate have little or no chance of winning, or being executed. Check your bid sheets carefully. The seller cannot assume responsibility for errors made by bidders.
8. Sales tax and postage are added to all invoices where appropriate.
9. Prices Realized are published shortly after the sale and mailed to all bidders who have participated in the sale.
